Bike Locker Rental Certification and Indemnification Agreement

I, _____, certify that I understand that by entering this Bike Locker Rental Agreement with Rutgers University I am accepting all responsibility for the safety and security of my bicycle at all times, even while the bicycle is parked in the bike locker provided by Rutgers University – Newark. I agree to hold Rutgers University and any/all of its employees harmless as to any injuries or damage to me or my property resulting from or related to the use of the Bike Park and/or the bike locker(s), including but not limited to vandalism, theft, 'Acts of God', etc. Further, I understand and agree that the bike locker key that is being issued to me under this Bike Locker Rental Agreement is the property of Rutgers University – Newark and my payment of the fees associated with the rental agreement does not establish any type of entitlement for me to retain the bike locker key beyond the term for which the Bike Locker Rental Agreement is valid. Accordingly, I agree that failure to return the key or loss of the key will result in a financial hold being placed on my student account, for which I will be personally responsible for paying, that is equal to the expense incurred by the university to change the bike locker lock and replacement key. CTPS encourages you to follow best practices with regard to your own safety which includes, but is not limited to, wearing a bike helmet at all times while operating my bicycle on and off the campus grounds, and adhering to all city/state traffic laws, such as respecting pedestrian right-of-way laws, staying within city bicycle paths/trails, traveling with the flow of traffic, obeying 'One Way' signs, observing traffic signals, etc. Finally, I understand that it is my responsibility to call the Commuter Transit and Parking Services office at (973) 353-1839 and the Rutgers University - Newark Campus Safety at (973) 353-5111 in the event an issue arises regarding my bicycle and/or the bike locker to which I am assigned.
